Subject: Preliminary Air Discharge Permit For New Wood Waste Bunker

Dear Mr. North:

A preliminary determination to issue Air Discharge Permit 08-2799R2 has been completed for Air Discharge Permit Application L-656 pursuant to Section 400-110(4) of the General Regulations for Air Pollution Sources of the Southwest Clean Air Agency (SWCAA). Public notice for Air Discharge Permit Application L-656 was published in the permit section of SWCAA's internet website on January 31, 2012. A 30 day public comment period will be provided prior to a final determination.

Electronic copies of Air Discharge Permit 08-2799R2 and the associated Technical Support Document are available for public review in the permit section of SWCAA's internet website (www.swcleanair.org/permitsprelim.html). Original copies are enclosed for your files. Also enclosed is a copy of the newspaper notice that SWCAA will publish one time in the legal notice section of The Chronicle. The cost of this publication will be paid by SWCAA. If you are not satisfied with this public notice, please contact SWCAA within three business days of receiving this letter. If you have any comments on this preliminary determination please notify SWCAA within the specified comment period. If no comments are received, your final Air Discharge Permit will be issued at the conclusion of the comment period.

If you have any comments, or desire additional information, please contact me or Vannessa McClelland at (360) 574-3058, extension 129.

Sincerely,

Robert D. Elliott
Executive Director
